UPPER FLOOR DWELLING UNIT means a *dwelling unit* that is located above the ground floor of a principle permitted use and contains a separate entrance;

Part 5

5.10 Recreation P-4

The proposal will involve adding a new site specific permitted use to Part 5.10 as follows:

.1 Permitted Uses

(f) *upper floor dwelling unit*, permitted only on Lot B Section 15 Township 23 Range 9 W6M Kamloops Division Yale District Plan 17443 (PID: 001-583-255).

FINANCIAL:

This bylaw amendment is not the result of bylaw enforcement; however, the Anglemont Estates Golf Course currently has a dwelling unit located on the upper floor of the building on the property that is not permitted in the P-4 zone of the zoning bylaw. If the Board does not adopt the proposed amendment, the use of the dwelling unit will be not be able to be re-established.

KEY ISSUES/CONCEPTS:

The subject property has a dwelling unit located above the pro-shop which is currently not permitted in Bylaw No. 650. The dwelling unit has 4 bedrooms, one bathroom and one kitchen and has its own exterior entrance. The owners have indicated that the dwelling unit was occupied by family from 1985-1988 and then again from 1996-1999. Since that time the dwelling unit has been occupied off and on by both family and staff during the golf season. As the dwelling unit has not been continuously occupied, the dwelling unit use is not considered to be lawfully non-conforming. The owner wishes to ensure and have certainty that the dwelling unit will be permitted and continue to be permitted in future so has applied to rezone the property to permit the existing dwelling unit. Staff are proposing a site specific upper floor dwelling unit use in the P-4 zone for the subject property only.

The property is an integral part of the Anglemont Golf Course operation, although the golf course itself is located on three separate properties to the west across the road. The subject property currently has a pro-shop including retail sales, restaurant, coffee shop, licensed establishment, and administration office uses which are all associated with the golf course and all are permitted in the P-4 zone as they all fall within associated uses of the golf course principle use. However, golf course is not a defined term in Bylaw No. 650 at this time. The owner has indicated that clarification of the permitted uses associated with golf course would be helpful in ensuring that the uses currently being operated on the subject property are permitted. Staff are proposing to define golf course in Bylaw No. 650 to provide clarity of this use.

The property is connected to the CSRD Anglemont Community Water System; the owner has indicated that there is an existing independent on-site septic system located on the subject property.

Bylaw No. 650 has three other properties currently zoned P-4, not including the Anglemont Golf Course. Two of the properties, located adjacent to the subject property, are currently vacant and the third property is the location of Lakeview Community Center.

SUMMARY:

Development Services staff are proposing this bylaw amendment to recognize the existing dwelling unit located on the upper floor of the golf course building on the subject property while also including a golf course definition to clarify the use and its associated uses in Bylaw No. 650.

Staff are recommending first reading of this amendment as it will recognize the ongoing historic use of the dwelling unit on the subject property and adding a golf course definition will help clarify this use and its associated uses currently permitted in the P-4 zone.
