

Note against land title that building regulations contravened

57 (1) A building inspector may recommend to the council that it consider a resolution under subsection (3) if, during the course of carrying out duties, the building inspector

(a) observes a condition, with respect to land or a building or other structure, that the inspector considers

(i) results from the contravention of, or is in contravention of,

(A) a municipal bylaw,

(B) a Provincial building regulation, or

(C) any other enactment

that relates to the construction or safety of buildings or other structures, and

(ii) that, as a result of the condition, a building or other structure is unsafe or is unlikely to be usable for its expected purpose during its normal lifetime, or

(b) discovers that

(i) something was done with respect to a building or other structure, or the construction of a building or other structure, that required a permit or an inspection under a bylaw, regulation or enactment referred to in paragraph (a) (i), and

(ii) the permit was not obtained or the inspection not satisfactorily completed.

(2) A recommendation under subsection (1) must be given in writing to the corporate officer, who must

(a) give notice to the registered owner of the land to which the recommendation relates, and

(b) after notice under paragraph (a), place the matter before the council.

(3) After providing the building inspector and the owner an opportunity to be heard, the council may confirm the recommendations of the building inspector and pass a resolution directing the corporate officer to file a notice in the land title office stating that

(a) a resolution relating to that land has been made under this section, and

(b) further information about it may be inspected at the municipal hall.

(4) The corporate officer must ensure that all records are available for the purpose of subsection (3) (b).

(5) If the registrar of land titles receives a notice under subsection (3) and payment of the prescribed fee, the registrar must make a note of the filing against the title to the land that is affected by the notice.

(6) The note of a filing of a notice under this section is extinguished when a new title to the land is issued as a result of the deposit of a plan of subdivision or a strata plan.

(7) In the event of any omission, mistake or misfeasance by the registrar or an employee of the registrar in relation to the making of a note of the filing under subsection (5), or a cancellation under section 58, after the notice is received by the land title office,

(a) the registrar is not liable and neither the Provincial government nor the Land Title and Survey Authority of British Columbia is liable vicariously,

(a.1) the assurance fund or the Land Title and Survey Authority of British Columbia as a nominal defendant is not liable under Part 19.1 of the *Land Title Act*, and

(b) the assurance fund or the minister charged with the administration of the *Land Title Act* as a nominal defendant is not liable under Part 20 of the *Land Title Act*.

(8) Neither the building inspector nor the municipality is liable for damage of any kind for the doing of anything, or the failure to do anything, under this section or section 58 that would have, but for this subsection, constituted a breach of duty to any person.

(9) The authority under this section is in addition to any other action that a building inspector is authorized to take in respect of a matter referred to in subsection (1).
