Dear Mr. Hamilton,

My name is Klara Lange and I was

forwarded your letter you sent to my subdivision and I would like to respond to that here.

I kindly wish to inform you regarding about our 20'x14' building in size that was originally build for a storage in mind we are occupying only temporarily until we can build our house.

I regret that I was unaware of building permit as I was informed we did not need one for this size. To be completely honest, I do not know much what is involved in building, neither I can correctly read and interpret the CSRD policy terms and rules, and for this reason I needed to completely rely and depend on my carpenter's knowledge of whatever was pertaining to the building. Unfortunately neither my husband could help with this matter as he is sick with Dementia.

I would like to kindly ask you to please reconsider our case and please remove all the charges against us as we have done nothing wrong and we are innocent.

Thank You very much.  
Regards,  
Klara Lange
