Good Afternoon,

As you both know we have been in the process of removing docks to get down to three. I have attached a diagram showing where the three are going to be located. As a membership we have given the dock owners until September 30, 2017 to remove their docks.

The three that are remaining are as follows:

Dock 1: gangway 6.7m long and 1 m wide
floating portion: 15.5m long and 2.4m wide

Dock 2: gangway 4.5 m long and 1 m wide
floating portion: 12.2 m long and 3.0 m wide

Dock 3: gangway 4.5 m long and 1 m wide
floating portion: 7.0 m long and 2.6 m wide

Thank you for your time

Re: Notice of Establishment - Land Act - Notation of Interest

The Crown land described as unsurveyed foreshore or land covered by water being part of the bed of Shuswap Lake, Kamloops Division of Yale District as shown outlined in red on sketch attached and containing approximately 2.6 hectares is established as a Notation of Interest for public recreation purposes.

Yours truly,

Authorized Representative
