Board of Directors
Columbia Shuswap Regional District

Dear Board of Directors:

We are pleased to present our audit plan for the audit of the consolidated financial statements of Columbia Shuswap Regional District the "Regional District" for the year ending December 31, 2018.

Our report is designed to highlight and explain key issues which we believe to be relevant to the audit including audit risks, the nature, extent and timing of our audit work and the terms of our engagement. The audit planning report forms a significant part of our overall communication strategy with the Board of Directors and is designed to promote effective two-way communication throughout the audit process. It is important that we maintain effective two-way communication with the Board of Directors throughout the entire audit process so that we may both share timely information. We will communicate only those matters of governance interest that come to our attention as a result of the performance of the audit. We are not required to design audit procedures for the specific purpose of identifying matters of governance interest. The audit process will conclude with a Board of Directors meeting and the preparation of our final report to the Board of Directors.

This report has been prepared solely for the use of the Board of Directors and should not be distributed without our prior consent. Consequently, we accept no responsibility to a third party that uses this communication.

The Board of Directors plays an important part in the audit planning process and we look forward to meeting with you to discuss our audit plan as well as any other matters that you consider appropriate.

Yours truly,

TERMS OF REFERENCE

Our overall responsibility is to form and express an opinion on the financial statements. These financial statements are prepared by management, with oversight by those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities. The scope of our work, as confirmed in our engagement letter (as set out in Appendix A).

ENGAGEMENT OBJECTIVES

- Present significant findings to the Board of Directors including key audit and accounting issues, any significant deficiencies in internal control and any other significant matters arising from our work.
- Provide timely and constructive management letters. This will include deficiencies in internal control identified during our audit.
- Work with management towards the timely issuance of consolidated financial statements.

INDEPENDENCE

At the core of the provision of external audit services is the concept of independence. Canadian generally accepted auditing standards require us to communicate to the Board of Directors at least annually, all relationships between BDO Canada LLP and its related entities and Columbia Shuswap Regional District and its related entities, that, in our professional judgment, may reasonably be thought to bear on our independence for the forthcoming audit of the Regional District. Refer to Appendix B.

RESPONSIBILITIES

It is important for the Board of Directors to understand the responsibilities that rest with the Regional District and its management, those that rest with the external auditor and the responsibilities of those charged with governance. BDO's responsibilities are outlined within the annual engagement letter attached as Appendix A to this letter. The oversight and financial reporting responsibilities of management and the Board of Directors are summarized below.

MANAGEMENT'S RESPONSIBILITIES

- Maintain adequate accounting records and maintain an appropriate system of internal control for the Regional District.
- Select and consistently apply appropriate accounting policies.
- Prepare the annual consolidated financial statements.
- Safeguard the Regional District's assets and take reasonable steps for the prevention and detection of fraud and other irregularities.
- Make available to us, as and when required, all of the Regional District's accounting records and related financial information.

BOARD OF DIRECTORS' RESPONSIBILITIES

- Oversee the work of the external auditor engaged for the purpose of issuing an independent auditor's report.
- Facilitate the resolution of disagreements between management and the external auditor regarding financial reporting matters.
- Pre-approve all non-audit services to be provided to the Regional District or its subsidiaries by the external auditor.
- Review the consolidated financial statements and Annual Report before the Regional District publicly discloses this information.

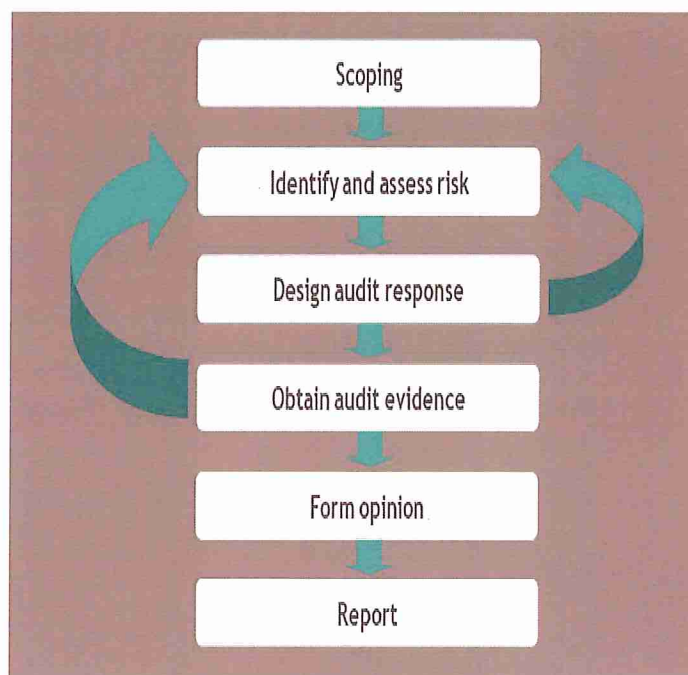

AUDIT STRATEGY

Our overall audit strategy involves extensive partner and manager involvement in all aspects of the planning and execution of the audit and is based on our overall understanding of the Regional District.

We will perform a risk based audit which allows us to focus our audit effort on higher risk areas and other areas of concern for management and the Board of Directors.

To assess risk accurately, we need to gain a detailed understanding of the Regional District's business and the environment it operates in. This allows us to identify, assess and respond to the risks of material misstatement.

To identify, assess and respond to risk, we obtain an understanding of the system of internal control in place in order to consider the adequacy of these controls as a basis for the preparation of the consolidated financial statements, to determine whether adequate accounting records have been maintained and to assess the adequacy of these controls and records as a basis upon which to design and undertake our audit testing.

Based on our risk assessment, we design an appropriate audit strategy to obtain sufficient assurance to enable us to report on the consolidated financial statements.

We choose audit procedures that we believe are the most effective and efficient to reduce audit risk to an acceptable low level. The procedures are a combination of testing the operating effectiveness of internal controls, substantive analytical procedures and other tests of detailed transactions.

Having planned our audit, we will perform audit procedures, maintaining an appropriate degree of professional skepticism, in order to collect evidence to support our audit opinion.

MATERIALITY

Misstatements, including omitted financial statement disclosures, are considered to be material if they, individually or in aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Judgments about materiality are made in light of surrounding circumstances and include an assessment of both quantitative and qualitative factors and can be affected by the size or nature of a misstatement, or a combination of both.

For purposes of our audit, we have set preliminary materiality at \$ 659,000 for the Regional District.

Our materiality calculation is based on the Regional District's preliminary results. In the event that actual results vary significantly from those used to calculate preliminary materiality, we will communicate these changes to the Board of Directors as part of our year end communication.

We will communicate all corrected and uncorrected misstatements identified during our audit to the Board of Directors, other than those which we determine to be "clearly trivial". Misstatements are considered to be clearly trivial for purposes of the audit when they are inconsequential both individually and in aggregate.

We encourage management to correct any misstatements identified throughout the audit process.

RISKS AND PLANNED AUDIT RESPONSES

Based on our knowledge of the Regional District's business, our past experience, and knowledge gained from management and the Board of Directors, we have identified the following significant risks; those risks of material misstatement that, in our judgment, require special audit consideration.

Significant risks arise mainly because of the complexity of the accounting rules, the extent of estimation and judgment involved in the valuation of these financial statement areas, and the existence of new accounting pronouncements that affect them. We request your input on the following significant risks and whether there are any other areas of concern that the Board of Directors has identified.

Revenue Recognition

Significant Risk	Approach
<ul style="list-style-type: none"> CAS 240.26 states the auditor shall presume that there are risks of fraud in revenue recognition. Per CAS 240.A28, material misstatement due to fraudulent financial reporting relating to revenue recognition often results from an overstatement of revenues through or recording fictitious revenues. It may result also from an understatement of revenues. 	<ul style="list-style-type: none"> Review of controls in place for recording revenue. Review revenue recognition policy for consistency with the professional standards.

Risk of Management Override of Controls

Significant Risk	Approach
<ul style="list-style-type: none"> Per Canadian Auditing Standard 240, "the auditor's responsibilities relating to fraud in an audit of financial statements," irrespective of our assessment of the risk of management control override, audit procedures must be performed to address the risk. 	<ul style="list-style-type: none"> Utilize computer-assisted audit techniques to analyze manual journal entries and unusual transactions. Review significant accounting estimates for potential biases.

Significant Estimates of Landfill Post Closure Liability

Significant Risk	Approach
<ul style="list-style-type: none">• Post closure liabilities are evaluated each year, and an adjustment is prepared based on current lending rates and inflation, this area is subject to significant fluctuations based on this estimate.	<ul style="list-style-type: none">• Review estimates to ensure accurate and reasonable by comparing to third party reports.

FRAUD DISCUSSION

Canadian generally accepted auditing standards require us to discuss fraud risk with the Board of Directors on an annual basis. We have prepared the following comments to facilitate this discussion.

Required Discussion	BDO Response	Question to Board of Directors
Details of existing oversight processes with regards to fraud.	Through our planning process, and based on prior years' audits, we have developed an understanding of your oversight processes including: <ul style="list-style-type: none"> • Board of Directors charters; • Discussions at Board of Directors meetings and our attendance at those meetings; • Review of related party transactions; and • Consideration of tone at the top 	Are there any new processes or changes in existing processes relating to fraud that we should be aware of?
Knowledge of actual, suspected or alleged fraud.	Currently, we are not aware of any fraud.	Are you aware of any instances of actual, suspected or alleged fraud affecting the Regional District?

AUDITORS' RESPONSIBILITIES FOR DETECTING FRAUD

We are responsible for planning and performing the audit to obtain reasonable assurance that the consolidated financial statements are free of material misstatements, whether caused by error or fraud, by:

- Identifying and assessing the risks of material misstatement due to fraud;
- Obtaining sufficient and appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses; and
- Responding appropriately to fraud or suspected fraud identified during the audit.

The likelihood of not detecting a material misstatement resulting from fraud is higher than the likelihood of not detecting a material misstatement resulting from error because fraud may involve collusion as well as sophisticated and carefully organized schemes designed to conceal it.

During the audit, we will perform risk assessment procedures and related activities to obtain an understanding of the entity and its environment, including the entity's internal control, to obtain information for use in identifying the risks of material misstatement due to fraud and will make inquiries of management regarding:

- Management's assessment of the risk that the consolidated financial statements may be materially misstated due to fraud, including the nature, extent and frequency of such assessments;
- Management's process for identifying and responding to the risks of fraud in the entity, including any specific risks of fraud that management has identified or that have been brought to its attention, or classes of transactions, account balances, or disclosures for which a risk of fraud is likely to exist;
- Management's communication, if any, to those charged with governance regarding its processes for identifying and responding to the risks of fraud in the entity; and
- Management's communication, if any, to employees regarding its view on business practices and ethical behaviour.

In response to our risk assessment and our inquiries of management, we will perform procedures to address the assessed risks, which may include:

- Inquire of management, the Board of Directors, and others related to any knowledge of fraud, suspected fraud or alleged fraud;
- Perform disaggregated analytical procedures and consider unusual or unexpected relationships identified in the planning of our audit;
- Incorporate an element of unpredictability in the selection of the nature, timing and extent of our audit procedures; and
- Perform additional required procedures to address the risk of management's override of controls including;
 - Testing internal controls designed to prevent and detect fraud;
 - Testing the appropriateness of a sample of adjusting journal entries and other adjustments for evidence of the possibility of material misstatement due to fraud;
 - Reviewing accounting estimates for biases that could result in material misstatements due to fraud, including a retrospective review of significant prior years' estimates; and
 - Evaluating the business rationale for significant unusual transactions.

Columbia Shuswap Regional District

Salmon Arm, BC V1E 4P1

Dear Sir/Madam,

We understand that you wish for us to continue as the auditors of Columbia Shuswap Regional District for its fiscal year ended December 31, 2018 and subsequent years.

We are pleased to continue as your auditors subject to the terms and conditions of this Agreement, to which the attached Standard Terms and Conditions form an integral part. The definitions set out in the Standard Terms and Conditions are applicable throughout this Agreement. This Agreement will remain in place and fully effective for future years until varied or replaced by another relevant written agreement.

Angie Spencer, CPA, CA will be the Engagement Partner for the audit work we perform for you. The Engagement Partner will call upon other individuals with specialized knowledge to assist in the performance of Services.

Our Role as Auditors

We will conduct our audit(s) in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements ("financial statements") prepared in accordance with Canadian public sector accounting standards are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. Our audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by you, as well as evaluating the overall financial statement presentation.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatements, whether by fraud or error, may not be detected, even though the audit is properly planned and performed in accordance with Canadian generally accepted auditing standards.

In making our risk assessments, we consider internal control relevant to your preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of your internal controls. However, we will communicate to you concerning any significant deficiencies in internal controls relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate matters required by professional standards, to the extent that such matters come to our attention, to you, those charged with governance and/or the board of directors.

Reporting

Our audit will be conducted on the basis that the financial statements have been prepared in accordance with Canadian public sector accounting standards.

Our independent auditor's report will be substantially in the form set out in Canadian Auditing Standard (CAS) 700. The form and content of our report may need to be amended in the light of our audit findings. If we are unable to issue or decline to issue an audit report, we will discuss the reasons with you and seek to resolve any differences of view that may exist.

Role of Management and Those Charged with Governance

You acknowledge and understand that you have responsibility for:

- (a) the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards. The audit of the financial statements does not relieve you of your responsibilities;
- (b) such internal controls as you determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; and
- (c) providing us with:
 - access, in a timely manner, to all information of which you are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - additional information that we may request for the purpose of the audit;
 - unrestricted access to persons within the entity from whom we determine it is necessary to obtain audit evidence;
 - financial and non-financial information (other information) that will be included in document(s) containing financial statements and our audit report thereon prior to the date of our auditor's report. If it is not possible to provide all the other information prior to the date of our auditor's report, you are responsible for provision of such other information as soon as practicable; and
 - written confirmation concerning representations made to us in connection with the audit. If appropriate and adequate written representations are not provided to us, professional standards require that we disclaim an audit opinion.

Financial Statement Services

We will obtain your approval, if during the course of our engagement we:

- (a) prepare or change a journal entry; or
- (b) prepare or change an account code or a classification for a transaction.

As agreed, we will provide assistance in the preparation of the financial statements.

These services create a threat to our independence. We, therefore, require that the following safeguards be put into place:

- (a) that you create the source data for all accounting entries;
- (b) that you develop any underlying assumptions for the accounting treatment and measurement of entries; and
- (c) that you review and approve the draft financial statements, including the notes to the financial statements.

Tax Services

Our audit is conducted primarily to enable us to express an opinion on the financial statements. The audit process is not designed to provide us with a full understanding of your tax situation and in particular, to allow us to determine whether the entity has specific tax compliance issues. We understand that you are not looking to BDO to provide you with any guidance or advice in regard to tax planning or compliance.

Additional Services

We are available to provide a wide range of services beyond those outlined in this Agreement. To the extent that any additional services that we provide to you that are not provided under a separate written engagement agreement, the provisions of this Agreement will apply to the services.

Standard Terms and Conditions

A copy of our Standard Terms and Conditions is attached as Appendix 1. You should ensure that you read and understand them. The Standard Terms and Conditions include clauses that limit our professional liability.

Please sign and return the attached copy of this Agreement to indicate your agreement with it. If you have any questions concerning this Agreement, please contact us before signing it.

It is a pleasure for us to be of service and we look forward to many future years of association with you.

Yours truly,

Chartered Professional Accountants

- 14.2 You shall in no event make any claim relating to the Services or otherwise under this Agreement later than two years after the completion of the Services under this Agreement.
- 14.3 To the extent permitted by law, the parties to this Agreement agree that the limitation periods established in this Agreement replace any limitation periods under any limitations act and/or any other applicable legislation and any limitation periods under any limitations act and/or any other applicable legislation shall not alter the limitation periods specified in this Agreement.

Any such members performing professional services hereunder assumes full personal civil liability arising from the practice of their profession, regardless of their status within our partnership. They may not invoke the liability of our partnership as grounds for excluding or limiting their own liability. The provisions in Sections 11

16. Termination

- 16.1 This Agreement applies to Services whenever performed (including before the date of this Agreement).
- 16.2 You or we may terminate this Agreement at any time upon written notice of such termination to the other party. We will not be liable for any loss, cost or expense arising from such termination. You agree to pay us for all Services performed up to the date of termination, including Services performed, work-in-progress and expenses incurred by us up to and including the effective date of the termination of this Agreement.

17. Fees and Billings

- 17.1 Our estimated fee is based on an assumed level of quality of your accounting records, the agreed upon level of preparation and assistance from your personnel and adherence to the agreed-upon timetable. Our estimated fee also assumes that your financial statements are in accordance with the applicable financial reporting framework and that there are no significant new or changed accounting policies or issues or internal control or other reporting issues. We will inform you on a timely basis if these factors are not in place.
- 17.2 Should our assumptions with respect to the quality of your accounting records be incorrect or should the conditions of the records, degree of cooperation, results of audit procedures, or other matters beyond our reasonable control require additional commitments by us beyond those upon which our estimated fees are based, we may adjust our fees and planned completion dates.
- 17.3 Our professional fees will be based on our billing rates which depend on the means by which and by whom our Services are provided. We also will bill you for our out-of-pocket expenses, our administrative charge (described below), and applicable Goods and Services Sales Tax, Harmonized Sales Tax, Quebec Sales Tax and Provincial Sales Tax.
- 17.4 Our administrative charge is calculated as a percentage of our professional fee and represents an allocation of estimated costs associated with our technology infrastructure, telephone charges, photocopying and some support staff time costs.
- 17.5 Our accounts are due when rendered. BDO may suspend the performance of Services in the event that you fail to pay an invoice when it is due. Interest may be charged at the rate of 12% per annum on all accounts outstanding for more than 30 days.

18. Governing Laws

- 18.1 The terms of our engagement shall remain operative until amended, terminated, or superseded in writing. They shall be interpreted according to the laws of the province or territory in which BDO's principal Canadian office performing the engagement is located, without regard to such province/territory's rules on conflicts of law.

19. Entire Agreement and Survival

- 19.1 This Agreement sets forth the entire agreement between the parties with respect to the subject matter herein, superseding all prior agreements, negotiations or understandings, whether oral or written, with respect to such subject matter. It is understood that this Agreement will not be superseded by any contract with us for other specific services that are not of the same scope as the Services contemplated in this Agreement, unless the other contract explicitly references this Agreement and an intent to supersede it.
- 19.2 The provisions of this Agreement that give either of us rights or obligations beyond its termination shall continue indefinitely following the termination of this Agreement. Any clause that is meant to continue to apply after termination of this Agreement will do so.

20. Force Majeure

- 20.1 We will not be liable for any delays or failures in performance or breach of contract due to events or circumstances beyond our reasonable control, including acts of God, war, acts by governments and regulators, acts of terrorism, accident, fire, flood or storm or civil disturbance.

21. Assignment

- 21.1 No party may assign, transfer or delegate any of the rights or obligations hereunder without the written consent of the other party or parties. BDO may engage independent contractors and BDO Member Firms to assist us in performing the Services in this Agreement without your consent.

22. Severability

- 22.1 If a court or regulator with proper jurisdiction determines that a provision of this Agreement is invalid, then the provision will be interpreted in a way that is valid under applicable law or regulation. If any provision is invalid, the rest of this Agreement will remain effective.

Members of the Board of Directors
Columbia Shuswap Regional District

Dear Board of Directors Members:

We have been engaged to audit the consolidated financial statements of Columbia Shuswap Regional District (the "Regional District") for the year ended December 31, 2018.

Canadian generally accepted auditing standards (GAAS) require that we communicate at least annually with you regarding all relationships between the Regional District and our Firm that, in our professional judgment, may reasonably be thought to bear on our independence.

In determining which relationships to report, we have considered the applicable legislation and relevant rules of professional conduct and related interpretations prescribed by the appropriate provincial institute/ordre covering such matters as:

- Holding a financial interest, either directly or indirectly in a client;
- Holding a position, either directly or indirectly, that gives the right or responsibility to exert significant influence over the financial or accounting policies of a client;
- Personal or business relationships of immediate family, close relatives, partners or retired partners, either directly or indirectly, with a client;
- Economic dependence on a client; and
- Provision of services in addition to the audit engagement.

We have prepared the following comments to facilitate our discussion with you regarding independence matters arising since March 29, 2018, the date of our last letter.

We are not aware of any relationships between the Regional District and our Firm that, in our professional judgment may reasonably be thought to bear on independence that have occurred from March 29, 2018 to October 19, 2018.

We hereby confirm that we are independent with respect to the Regional District within the meaning of the Rules of Professional Conduct of the Chartered Professional Accountants of British Columbia as of October 19, 2018.

This letter is intended solely for the use of the Board of Directors, the Board of Directors, Management and others within the Regional District and should not be used for any other purposes.
