## Appearing Before the Board as a Delegation

### Instructions and Information

Board meetings are generally held on the third Thursday of each month. Please refer to the calendar on the [CSRD's website](#) for the actual dates, or contact the CSRD offices at 250-832-8194 for the upcoming Board Meeting dates.

Delegations are limited to three (3) per meeting; slots often book up quickly.

Delegations are permitted up to fifteen (15) minutes for their presentation. Board members may ask questions after the presentation for clarification.

In order to schedule a date to appear before the Board, delegations must provide the information on the attached form. This information will be included in the agenda. By providing this detail it clarifies the purpose of the delegation for the Board and allows Board members and staff to become familiar with your topic and to obtain any necessary background information.

Your contact information will be included with your delegation information and circulated to the Board. If you do not wish your address to be included in the public agenda, please advise Corporate Administration Services at the time your Delegation request is submitted.

This presentation is technical information on the Timber Harvest Land base and associated land use integration in BC and how it relates to the future of the forest industry and specifically ILMA businesses and their associated economic development for the regions we operate in. ILMA provide over 2500 direct and indirect jobs in the southern interior and the 17 primary facilities provide >\$120M in payroll and >\$250M in goods and services purchased annually.

At the ILMA 2018 Convention this past June in Revelstoke, a similar presentation was made and was well received. The select local government officials who were able to attend strongly urged us to ensure all local governments see this information to help better inform their understanding and decision-making processes going forward. The ILMA committed to doing this as part of our ongoing efforts to keep local governments informed.
