Dir. Demenok [Done]

Thank you once again for taking the time to meet with our Board in late November. Further to that meeting, the Board of Directors for the Arts Council for the South Shuswap respectfully requests the Columbia Shuswap Regional District to explore the feasibility of establishing a service that would provide for ongoing annual funding in support of the many arts and cultural services that the Arts Council provides for the community.

It is our understanding that this request, if approved, would commence in the 2020 taxation year.

Warm Regards,

Rhys Laug, President
Arts Council for the South Shuswap
