Subject: Delegation form LFM March 21

Hi there Lynda, Karen.

Sorry for the delay; I was on the road this past week.

Attached is the Delegation Request from Local Food Matters Society Golden. We really look forward to sharing our film and having a short discussion. Also delighted to hear that the Board has heard from the Revelstoke group already - fantastic initiatives are underway in Revie and Golden is certainly keen to work towards similar programming and a core-funded program.

Our video is 10 minutes - we definitely think it showcases our local food movement (sad though we are to not have more time to answer specific questions that will no doubt arise!) We will ensure we keep any introductory comments brief to stay within our 15 minute time allowance.
