Dear Board Members,
Attention Jodie Pierce and Rene Talbot

The Senior's would like to do renovations and improvements to the hall on 3056 Hornsberger Rd to keep the hall serviceable for the community.

Would like to apply for Community Works Fund for \$24,141.37

We need to replace the original flooring that was put in the 70's. It has multiple cracks and chipped tiles with the possibility of asbestos leaking through due to flooring age. The new floor will seal existing flooring providing a barrier and exhibit a more pleasant atmosphere for all to enjoy.

The Senior's will assist in doing the floors by wax stripping the floors and moving the furniture of each room.

~~4~~ quotes attached to application.

Thank you for considering our application

Yours truly,

Donna Bernard
