Dear Board Members,
Attention Jodi Pierce and Rene Talbot

The Falkland Curling Club is hoping to upgrade the curling clubs 52 year old carpet and vinyl flooring as well as replace our aging hot water tank with a hot water on demand heater. New flooring would cover up and seal the possibility of asbestos and any mould could be removed at the same time. It would be a huge improvement and a healthier environment and allow us to enjoy the rink for many years to come. As well, an on demand hot water heater would be far more efficient than the existing hot water tank. We would like to apply for the community works Fund for 12,650.75. The Curling Club will assist the renovations in any way including the removal of appliances and furniture. Please see the six attached quotes.

Yours Truly,

Larry Woida
Vice President
Falkland Curling Club

Per d/w Larry Woida 250.379.2249

- building is owned by the club
- Club is open to the public
- Facility can be rented by non-members

Aug 20/19.

As per phone call from Rene 9/12/19,
he supports this + would like it
on the back agenda. He sent support
email to Jay by accident.
