

Prepared December 10, 2019, following request from CSRD Board of Directors that DP725-169 (O'Connor) be deferred to a future meeting subject to receiving this information

Application	Electoral Area (Location)	Variance Requested	Dock Type	Staff Recommendation	Board Result	Notes
DP725-34	C (Sunnybrae)	Size: 24 m ² to 37.16 m ² Width: 3 m to 3.05 m	Floating	Denial	Denied (2015)	The owners wanted their dock to extend further into the lake, and staff felt this could be achieved by a longer walkway rather than an oversize dock.
DP725-109	C (Blind Bay)	Size: 24 m ² to 27.89 m ² Width: 3 m to 3.05 m	Floating	Approval	Issued (2017)	New dock was the same size as the previously existing dock, but the new dock is made of aluminum which is more environmentally friendly than the pre-existing treated wood dock.
BL900-16	E (Swansea Point)	Size: 24 m ² to 37 m ² Walkway width: 1.5 m to 1.55 m	Fixed	Adoption	Adopted (2017)	Application was made to replace dock of same size that was damaged by a storm. Actual dock size totals 52.3 m ² ; fixed dock's fingers were not included in original calculation. *BE
BL900-19	E (Swansea Point)	Walkway width: 1.5 m to 1.52 m (Size: 24 m ²)	Fixed	Adoption	Adopted (2017)	Actual dock size is 45.36 m ² ; fixed dock's fingers were not included in original calculation. *BE
DP725-137	C (Eagle Bay)	Size: 24 m ² to 27.87 m ² Width: 3 m to 3.05 m	Floating	Approval	Issued (2018)	New dock was smaller than the pre-existing dock and the increase in the dock length allowed the dock to meet the 1.5 m depth of the Ministry of Environment best management design practices.
BL900-23	E (Swansea Point)	Size: 24 m ² to 26 m ²	Fixed	Adoption	Adopted (2019)	Original proposal was 37.9 m ² , and applicants compromised and came down to 26 m ² .
DP725-200	C (Blind Bay)	Size: 33.45 m ² to 46.48 m ²	Floating	Denial	Denied (2019)	Applied after Bylaw 900-25 which amended size in Lakes Zoning Bylaw No. 900 from 24 m ² to 33.45 m ² . Applicant's rationale for larger dock did not justify increased dock size. *BE
DP725-169	C (Sorrento)	Size: 33.45 m ² to 35.3 m ² Width: 3.05 m to 4.27 m	Floating	Denial	Deferred (2019)	Applied after Bylaw 900-25 which amended size in Lakes Zoning Bylaw No. 900 from 24 m ² to 33.45 m ² . *BE

DP = Development Permit BL = Bylaw Amendment

*BE = Application a Result of Bylaw Enforcement
