**Re: North Shuswap Health Centre Financial Contribution Service Area Establishment  
Bylaw No. 5848, 2022**

Enclosed is one copy of the above bylaw approved under the provision of section 342 of the *Local Government Act* (Act).

The Regional Board may now proceed with the alternative approval process in accordance with section 86 of the *Community Charter* (Charter) and section 345 of the Act. The Board must establish the deadline for receiving elector response forms.

The notice of the alternative approval process must be in accordance with section 94 of the Charter and must include all the information listed in section 345(2) of the Act.

If the notice is published in accordance with section 94.1 of the Charter in at least two issues of a newspaper, the second publication must be at least 30 days before the deadline for receiving elector response forms.

If the board has adopted a public notice bylaw in accordance with section 94.2 of the Charter, the 30-day period starts on the date when the notice has been published by two of the means specified in the bylaw. If notice is published on: two different dates, the 30-day period starts on the day the second notice is published (as long as the first notice is still published at the same time); or, the same day, the 30-day period starts on the day both the notices are published.

**As per the *Interpretation Act* the last newspaper publication date, or last issuance of notice by alternative means, and the deadline date are not included as part of the 30 days.**

Page 2

If the number of elector response forms received is less than 10% of the number of electors of the area to which the approval process applies, the Board may proceed with adoption of the bylaw.

Once the bylaw has been adopted by the Board, please forward one certified copy of the bylaw and one copy of the associated map (8 ½ X 11 is sufficient) to our office as required under section 348(2) of the Act.
