Developing a Splash Park in Revelstoke stands to increase the communities ability to attract families with children as both residents and tourists. In particular the location of the Splash Park in Farwell Park (relatively close proximity to the highway) is ideally situated to attract tourists travelling past Revelstoke to stop in and visit Revelstoke when otherwise they may have just driven by.

15. Details of community support for objectives:
    The Splash Park concept was brought forward by a local community initiative: The Farwell Splash Park Society. They have actively been seeking community support. The Revelstoke Credit Union has donated $50,000 towards the development of the Splash Park.
    On February 29, 2016 the public was invited to attend an open house to give feedback on the design of the Splash Park and on October 25, 2016, Council endorsed the Farwell Park design and location.
