**PUBLIC NOTICE OF APPLICATION TO REDUCE MINIMUM ROUTE FREQUENCY AND  
ELIMINATE CERTAIN ROUTE POINTS.**

**Greyhound Canada Transportation ULC (Greyhound)**

**B.C. Passenger Transportation Board ("Board") Application # 256-17**

**Posting Period September 13, 2017 to October 13, 2017**

Please take note that Greyhound has applied to the Board to amend its Passenger Transportation License # 70414 to reduce minimum route frequencies to two per week in each direction and eliminate certain route points (as indicated) on the following routes:

- A: Alberta Border & Highway 1 - Vancouver
- B1: Kamloops - Kelowna
- B2: Kelowna - Penticton
- C: Vancouver - Osoyoos
- D: Kelowna - Alberta Border & Highway 3
- E: Prince George – Vancouver
- G: Alberta Border & Highway 2 - Dawson Creek
- N: Alberta Border & Highway 16 - Vancouver
- P: Kelowna – Vancouver
- S1: Vancouver – Pemberton / Mt. Currie

This application is part of an effort to offer a viable, streamlined Intercity Bus Service in response to a challenging transportation environment that is characterized by diminishing ridership, escalating costs and increased competition from publicly subsidized services. Despite significant efforts over the past several years to reduce costs as well as other measures to adapt to the market, Greyhound continues to suffer important losses from its passenger operations in BC.

This application seeks to reduce minimum route frequencies to allow the company flexibility in adapting schedules to respond to market demand without the requirement of an application before the Board. Service frequencies will not necessarily be reduced as a result.

It also seeks to eliminate certain route points that have low passenger use in order to reduce travel time for the majority of users and better respond to market demand.

**Business as Usual Pending Regulatory Review and Approval**

Greyhound's BC operations will continue to operate normally on these routes during the regulatory process review period-the Company does not foresee any changes to operations in 2017. Subject to the outcome of the Board's review of our application we do not anticipate these changes will come into effect until early 2018. We expect no impact on passenger ticketing and package transport for the remainder of this year.

- More information about the application, including, changes affecting other routes and the "Applicant's Rationale" by Greyhound is available at [www.ptboard.bc.ca/bus.htm](http://www.ptboard.bc.ca/bus.htm).
