Management Plan

1. On the terms and conditions set out in the Agreement, the Land may be used and occupied for the purpose of disposing of garbage of all kinds and of noxious, offensive, or unwholesome substance as set out in this Management Plan.
2. This Management Plan supersedes all previous Management Plans.
3. The attached Site Map depicts the Improvements. You must not construct, place, or affix any Improvement on or to the Land without prior written consent.

4. Inventory

The Improvements are described as follows:

- A shack that is used as an attendant office and a storage unit for maintenance supplies.
 - A weigh scale
 - A chain-link fence surrounds the perimeter along with two gates. Which are locked outside of operating hours.
 - There is a display board for operating hours and accepted refuse.
5. The lessee shall not interfere with Sicamous Creek Road.
 6. The lessee shall maintain the gravel slope as to not pose a hazard to users
 7. Gravel from the onsite quarry may be used for the purpose of covering refuse. No gravel shall be removed from the site.
 8. Adhere to the provisions of the waste management permit issued by the Ministry of Environment.
