Dear Chief, Mayor and Councils,

**RE: Request for Support in Redesigning the Kamloops BC Cancer Care Centre**

---

As MLAs for Kamloops Centre, Kamloops – North Thompson, Fraser – Nicola, Cariboo – Chilcotin and Prince George-Valemount, we are writing to request your support and advocacy for the redesign of the Kamloops BC Cancer Care Centre to ensure it provides the same level of care, resources, and services as other cancer centers throughout British Columbia.

Currently, the proposed Kamloops Cancer Centre differs significantly from other provincial cancer facilities in terms of being designed as a site with two different locations, one of which will be overseen by the local health authority and the other site overseen by B.C. Cancer; neither of their data and information software work with each other and lastly, the Kamloops centre will not include a PET-CT scanner.

These inconsistencies create inequitable access to cancer care for residents in our region compared to other areas of the province and will also create major challenges for proper recruitment and retention. Many communities across BC have benefited from comprehensively designed cancer centres that follow a provincial standard. Our community deserves the same level of care and consideration.

Although we have brought this to the Minister of Health's attention by way of letter, an in person meeting and most recently questioning the Minister during debate on budget estimates, we respectfully request that you advocate for this redesign by either using the enclosed letter template or drafting your own letter, requesting the Minister of Health address the concerns being raised by the medical community to ensuring the healthcare needs of the region are being adequately met not only now, but in the years to come.

We kindly ask that you email your letter to us by May 22<sup>nd</sup> as we are hoping to present your letters en masse to Minister Osborne at the legislature before the end of session.

Thank you for your consideration of this important matter. We would welcome the opportunity to discuss this further and provide additional information as needed.
