Hi Ron,

I spoke again to our finance director at the CSRD. I need you to send an official quote from Olsen Construction, make sure it includes sewer part. Then I need an official letter from the Light Horse Club requesting the funds to update the bathroom.

The sooner you can do this the better. I want this on the March Board meeting agenda.

I want to move this forward for your group Ron. Give me a call if you need to. 250-348-2226 home or on my cell 250-344-8357.

Thanks Ron

Dear CSRD Directors:

The Golden Light Horse Club is asking for the CSRD's financial assistance for a bathroom upgrade to the Golden Rodeo Grounds.

The current bathrooms have been there for many years, are not adequate for the functions we are holding and are not up to current sanitation standards. We are planning to upgrade our facility with running water, flushing toilets, electricity and have it accessible to all persons.

A pleasant, clean and well-lit facility will help make our functions more successful and the users will feel more comfortable using the facilities.

We thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, which appears to read "Ron Watson". The signature is fluid and cursive, written over the printed name.
