RE: Hary-Cro Holdings Ltd. /  
Lot 1 Section 16 Township 22 Range 11 W6M KDYD KAP 57595 ("the Property")

I write to confirm my conversation with you of yesterday wherein I advised that we have been retained to assist our client, Hary-Cro Holdings Ltd., with respect to the Release of the existing Covenant E# KK77205 and the registration of a new section 219 Covenant as to a revised size of septic field for the use of development of the Property.

I confirm we have submitted the Release document for approval by Interior Health of the current Restrictive Covenant in February, 2017 and have received a receipt for payment of the said fee from Interior Health on February 21, 2017. We are awaiting the executed document from them.

I undertake to register the new s.219 Covenant upon execution of same by all required parties, and with the approval of said document by Interior Health. A copy of the registered document will be provided as soon as it is available. This undertaking is provided to allow the review and approval of the Development Permit for my clients from your office.

I trust you find the above to be in order and look forward to hearing from you as quickly as possible.

Yours truly,
