POLICY:

The Rural Sicamous Land Use Bylaw No. 2000 was adopted on June 19, 1986. Since then, there have been over 60 amendments made to the bylaw. The proposed Electoral Area 'E' Official Community Plan Bylaw No. 840 was given second reading on March 18, 2010.

FINANCIAL:

No financial implications to the CSRD.

KEY ISSUES/CONCEPTS:

This proposed housekeeping amendment will change the names of the designations in the Rural Sicamous Land Use Bylaw No. 2000 to be consistent with other OCP bylaws in the CSRD, and will eliminate unused designations to provide clarity. As the Electoral Area 'E' OCP Bylaw No. 840 is proposed to be adopted in the near future, which will repeal and replace Part 1, Statement of Objectives and Policies of Bylaw No. 2000, staff is not proposing any changes to the policies or objectives portion of Bylaw No. 2000 at this time.

IMPLEMENTATION:**Referral Process:**

The following list of referral agencies is recommended:

- Interior Health Authority;
- Ministry of Transportation and Infrastructure;
- Ministry of Forests, Lands and Natural Resource Operations;
- District of Sicamous;
- City of Salmon Arm;
- Regional District of North Okanagan;
- Provincial Agricultural Land Commission;
- Ministry of Agriculture;
- CSRD Financial Services;
- CSRD Operations Management;
- School District #83; and,
- All relevant First Nation Bands and Councils.

Staff is recommending the simple consultation process because the proposed amendments will not have a significant impact on the properties in the bylaw area.

SUMMARY:

Staff is proposing text amendments to the OCP portion of the Rural Sicamous Land Use Bylaw No. 2000, and to amend the OCP mapping to reflect the proposed changes.
