Dear Charles:

At its regular meeting held April 3rd, 2018 the Town of Golden Council passed the following resolution:

THAT the Mayor and CAO INVESTIGATE the prospect of the establishment of and participation by Council within an oversight committee commissioned by the CSRD associated with the Golden landfill and its continued management;

AND THAT Council then RECONVENE to discuss the Golden Landfill issues both present and emerging in a near-future meeting.

To this end, I am querying as to whether the CSRD does in fact intend to commission an oversight committee associate with the ongoing management of the Golden landfill and if so, would members of Golden Town Council be included in its membership.

Thank you for your attention in this matter.

Sincerely,

Jon Wilsgard
